WINTER 2005  
TRI-TOWN CHAMBER OF COMMERCE

## HISTORY OF BOONTON THEATER

I'm honored, to be elected, as your president of your Tri-Town Chamber of Commerce for 2006. I know I speak for all the board members when I say that we are very excited to continue the excellent work that the 2005 board members have accomplished. I appreciate the hard work and time they donate to our chamber.

I look forward to your continuing support. We again have maintained one of the highest percentages of membership in the country.

We will continue our support for the Kiwanis Ambulance, the Boonton Fireman's parade and Boonton Main Street programs.

In 2005, your chamber ran two trips to Atlantic City and held our first annual golf outing. Both of these programs were very successful in funding our scholarship program.

We are always looking for new and innovative ways to help and support our members. One of those changes is our 2006 directory. We feel this new directory will help to increase support for our members. This new directory is being mailed to over 17,000 households and business in the Tri-Town area, giving our members greater exposure than ever before. This directory will continue to be available at all Municipal Offices, Banks and other businesses in our area. Please keep it handy and use it to patronize our local chamber members.

I promise that the board members and I will continue to bring new ideas to the table in order to increase your benefits of being a chamber member.

I believe that if we work together as a team, we can accomplish anything.

## UPDATE WITH A CHALLENGE

The **new color directory** will be distributed to **20,000+** households and businesses beginning January 13<sup>th</sup>.

We have challenge. We want to make the Chamber a more

valuable resource. Our many committees would gladly appreciate your help. With just a few people donating as little as 1 hour every other week, we will be able to make a big difference.

The only way we can help is if you voice your opinions and let us know what you are thinking. Contact Guy Caccavale [guy@ifrllc.com](mailto:guy@ifrllc.com). We can't do it alone.
